

A Message from the Carl Sandburg PTSA Co-Presidents

Dear Parents, Families, and Carl Sandburg Community,

We hope our Carl Sandburg community is enjoying the beautiful foliage and change in seasons that autumn brings to our region. Our families have taken long walks in the brisk temperatures to observe the beauty all around us. The crisp weather, the leaves crunching under our feet, and the smell of autumn are all short lived. Before long it will all be gone and the landscape will be mostly brown and bare. Then it will be on to another season.

As Presidents of our school, we are most thankful for the many PTSA volunteers who have given much of themselves to offer much to our students. With Thanksgiving fast approaching, we reflect on the many activities accomplished and the many more to come this school year. We are very thankful to our PTSA Board for giving back to our school and community all with a cheerful heart and smile and with much enthusiasm. We would like to acknowledge them and want you to know how much they are appreciated.
